

# Monthly Training and Event Schedule

Register online or see all available classes at [NESafetyCouncil.org](http://NESafetyCouncil.org). Reach out to Valerie Haschke at 402.483.2511 ext. 108 for more info or to schedule onsite trainings. Trainings and events may be subject to change, please review your registration confirmation emails.

## NFPA 70E Arc Flash Electrical Safety Training

There are 5-10 arc explosions in the U.S. every day, causing severe injuries to anyone in the area and damaging property. The average cost of medical treatment is \$1.5 million dollars, not to account for indirect costs associated with loss productivity, property damage, repair, fines, etc. Protect your employees by providing them with the correct level of training.

**May 5-6, 2020 \ 8:30 a.m.-4:30 p.m. (both days) \ Nebraska Safety Council, Lincoln**
